- Eastman, C. R. 1937. Text-book of Paleontology, adapted from the German of Karl A. Zittel. 2nd edition, revised and enlarged. [with many collaborating specialists including AH Clark, HL Clark, JM Clarke, RT Jackson, PE Raymond, R Ruedemann, CS Schuchert, etc.] [p. 255 Onychaster reclassified into Streptophiuroida (not Euryalid)] [need to scour this to see who authored particular entries -- scour also to look for possible use of order Aganasterida]
- Easton, William H. 1942. Pitkin Limestone of northern Arkansas. Arkansas Geological Survey Bulletin 8. 115 pp. [p. 84, faunal list, Stelleroidea, Agenaster (sic) n.sp., Schoenaster? sp.]
- Easton, William H. 1943. The fauna of the Pitkin Formation of Arkansas. Jour. Paleontol., vol. 17, no. 2, pp. 125-154, pls. 21-24. [source Golden & Nitecki: Aganaster cingulatus Easton, 1943, and Schoenaster? sp.; Missippian]
- Easton, W.H. 1960. Invertebrate paleontology. Harper & Brothers, NY. 701 pp.
- Easton, W.H. 1962. Carboniferous formations and faunas of central Montana. U.S. Geological Survey Professional Paper 348, 126 pp. + pls. 3-13. [p. 38 ophiuroid plate]
- Eckert, B.-Y., and C. E. Brett. 1989. Bathymetry and paleoecology of Silurian benthic assemblages, Late Llandoveryan, New York State. Palaeogeography, Palaeoclimatology, Palaeoecology 74:297-326. [Table I, p. 309, Palaeaster? sp., locality Second Creek, Sodus]
- Eckert, James D. 1984. Early Llandovery crinoids and stelleroids from the Cataract Group (Lower Silurian) in southern Ontario, Canada. Royal Ontario Museum Life Sciences Contributions 137, 83 pp. [source V. Petr] [Mesopalaeaster granti (J.W. Spencer) is tentatively reassigned to Promopalaeaster. Mesopalaeaster? caractensis Schuchert is a juvenile individual of Promopalaeaster? granti. Medinaster orbiculus n.g., n.sp. (Family Mesopalaeasteridae) is allied with Devonaster.]
- Ehrenberg, K. [von]. 1925. The crinoid occurrence at Crawfordsville, Indiana. Amer. Mus. Novit., New York No. 204, pp. 1-12. [Zoo. Rec. 1926; Protaster.] [p. 4 mentions Protaster gregarius on large slab in AMNH]
- Eller, E. R. 1935. New species of Echinocaris from the Upper Devonian, of Alfred Station, New York.--Annals of the Carnegie Museum 24:263-274. [p. 263 Alfred Shale fauna includes starfish] [see Sass et al. 1977]
